

Parents, teachers, and children training series

For children aged 0-6 Years

The Incredible Years sessions looking at different topics relating to parenting to support your child's learning, development and behaviour.

Some of the sessions look at handling separations, distraction, routines, tools to help with managing behaviour, promoting independence, household rules and routines to support you in the home.

Incredible Years runs over 14 weeks and is a relaxed and informal group which will give you the opportunity to meet other parents.
