What is **Peep AND** ?

FREE

Peep AND sessions for **babies** and **children with additional needs and/or disabilities** offers a safe place for families to come together

Led by Family Hub Practitioners **Peep AND** sessions are designed to give support to parents in the group to boost their confidence and empower their parenting. They are also a great opportunity to gain information about services that could support your family's journey whilst your little one has fun.

Peep AND provides more flexibility than regular groups as there is no requirement to attend every week or arrive on time.
